

Cominsky, Wagner Take Walleye Madness Mosquito

Cortland, OH-May 21st 2017-Walleye Madness held its second event of the year on Mosquito Lake. Teams from Michigan, Ohio and Pennsylvania set out on a cool Sunday morning trying to find 5 fish to bring to the scales. Mosquito Lake is one of Ohio's top inland lakes for catching walleyes.

Chase Cominsky and Charles Wagner captured first place with a weight of 11.80#. "All the hard work paid off for us today" Cominsky said. The team put many hours on the water pre-fishing to find the right bite which cashed them a total check of \$1800 including finishing as the top Mercury Motors equipped boat. They focused on submerged weed beds, casting No. 7 Flickers shads in perch and silver.

Gary Gaca and Anthony Marcello brought in a bag of 11.53# for a 2nd place finish. Alan Ammon and Tim Bailey with a nice bag of 10.76# finished 3rd. Both teams were casting cranks near weeds.
